Not Everyone Goes Home...

"THE LESSONS LEARNED"

Making the Important Changes

Presented By: Chief Billy Goldfeder

Chief Billy Goldfeder will present to the attendees, through video, audio and **"WAKE UP"** lecture, an in-depth review of timely fireground events and most specifically, the LESSONS LEARNED so that these incidents (and those involved) *don't ever become forgotten.*

This very personal, high energy DIRECT AND FRANK class, professionally and respectfully presented, provides the participants an excellent opportunity to apply the LESSONS LEARNED to their own departments...and themselves, when returning home...potentially avoiding "history tragically repeating itself"

The goal of this class is to have the participants leave more knowledgeable, educated and informed but most importantly thinking HARD about their role and their department's responsibility in FIRE and RESCUE operations. These ***"LESSONS LEARNED"*** and related ***CASE STUDIES*** can help assure that similar problems are not repeated again at YOUR DEPARTMENT.
